SUMMARY

Motivated and enthusiastic student completed M.Tech in Computer Science and Engineering with a strong willingness to learn and grow. Demonstrates solid technical and communication skills, adaptability, and a positive attitude. Seeking an opportunity to apply knowledge in a practical environment and contribute effectively to innovative projects.

EDUCATION

Sri Krishna College of Engineering and Technology Nov 2021 - 2026
M.Tech in Computer Science and Engineering CGPA: 7.30

Brindhavan Higher Secondary School (HSC) 2021
Percentage 86.5%

Dr. J.C. Kumarappa Matriculation and Higher Secondary School (SSLC) 2019
Percentage 80%

PROJECTS

Automized Detection of Perpetrator of Crime from CCTV Footages

- Developed a Streamlit-based application to detect faces in real-time video feeds or uploaded CCTV footage using **OpenCV** and **DeepFace**.
- Utilized **TensorFlow** and deep learning models to perform face recognition efficiently within a user-friendly web interface.

Hybrid Cryptography Algorithm for Defense System

- Developed a hybrid cryptographic model integrating AES, RSA, and SHA algorithms for secure and authenticated message transmission.
- Enhanced data confidentiality and protection against cyber threats through lightweight encryption techniques.

NutriGuard – AI-Driven Food Misinformation Detection Platform

- Built an AI platform using RAG and vector database retrieval to classify food and nutrition claims as true, false, or misleading with evidence-backed explanations.
- Leveraged contextual reasoning and natural language inference to provide transparent, citation-supported verdicts, improving reliability over traditional keyword or rule-based methods.

SKILLS

Programming Languages: Java, SQL, HTML, CSS
Frameworks & Libraries: Streamlit, OpenCV, DeepFace, TensorFlow
Database & Tools: MySQL, Git, GitHub, VS Code
Technical Skills: Object-Oriented Programming (OOP), Web Development, Computer Vision, Machine Learning
Soft Skills: Problem Solving, Team Collaboration, Time Management, Communication, Adaptability

CERTIFICATIONS

- SQL Intermediate — HackerRank
- Java Intermediate — HackerRank
- Ethics in Engineering Practice — NPTEL
- Java for Beginners — Udemy
